

# Membership Terms & Conditions

By submitting the homepage membership form, the customer confirms that the provided information is accurate and authorizes Dalmia Computers to share membership-related communication on WhatsApp or SMS.

- The submitted name and mobile number should belong to the person joining membership.
- Membership benefits, referral tracking, and later follow-up may depend on correct mobile information.
- Live message delivery depends on MSG91 configuration, approved templates, and provider availability.
- If live messaging is not configured, Dalmia Computers may keep the notification pending in a secure internal queue until activation.
